and keeping your kids
safe

"One night a father overheard his son pray: Dear God, Make me the kind of man my Daddy is. Later that night, the Father prayed, Dear God, Make me the kind of man my son wants me to be..." *Anonymous*

Happy Fathers' day!

A dad in this day and age, is very different from the dads of old; today's dads change diapers, re-arrange there schedules to make it to their kids play and much more. In the new CBS series "Swingtown", a dad spots a girlie magazine sticking out from under his son's bed; he smiles and warns him to make sure mom doesn't find it..." she will have a fit!" A word of caution, today's internet porn is something so different from the magazines of old; it

depicts violence and degrades women and girls in full streaming video! Dad, talk to your son and daughter about relationships and love, about sacrifice and caring, putting the other first. Many Dads get caught up in their personal history... don't! Use your own past experiences to help your kids not make the same mistakes; this is what transforms an every-day-dad into a Super-Dad. If you are reading this editorial, guess what?—you are on your way to Super-Dad status, Happy Father's Day!
